**Level 1B-BBEE Contributor with a 51% "BWO" status**

# Introduction:

PK's ELECTRICAL WHOLESALERS was founded August 1991 in Milanpark, Bethal, Mpumalanga.

In April 1996 we moved to our current location at 9 Moses Kotane Street | Bethal | Mpumalanga.

PK's ELECTRICAL WHOLESALERS is well known for the quality products we sell and the excellent services we provide to our customers in Bethal and surrounding areas for the past 26 years.

**We are a Level 1 B-BBEE Contributor with a 51% "BWO" status.**

Our showroom warehouse is situated in the central heartbeat of the Mining and Power Station Industry.

This facility provides us with 300 square feet of warehouse space stocking over 4 000 different items.

We have 15+ parking spaces and 1 loading dock.

We maintain inventory levels that enables us to serve our customers with timely solutions and excellent deliveries.

Our primary business is to supply and service the Corporate, Private, Contractors, Mining Industries and Power Generating Companies.

We have a proven track record.

We are a service orientated company and offer our clients Efficient and Reliable products.

We also supply the whole range of Electric Motors, Starters, Distribution Boards and Motor Control Centres.

# Our Motto:

**“WE STAKE OUR REPUTATION ON THE BRANDS WE REPRESENT”**

*PK's ELECTRICAL WHOLESALERS* regards itself as an Ethically Sound Business whose Practice Ensures that the Highest Standards are Maintained.

We align ourselves with Manufacturers who are known for Quality Products Delivered on Time at Competitive Prices.

Our Purpose is to Provide the Right Solutions to our Customers the First Time, Every Time.

This holds True for all Market Segments from Automation Products to Lighting, Lamps, Energy Saving and Construction products.

The Company Philosophy stems from its Family Orientated History which Leads to Employee and Customer Satisfaction.

This Philosophy has enabled us to maintain Long Term Relationships with both our Customers and our Vendors.

Our Principles are Customer Driven, as we Constantly Source the Best and Newest Products at Competitive Prices.

# Excellent Service & Sales Support:

Our Company's Success is due to our Staff's Dedication to Excel in Delivery and Service.

We have Two Delivery Vehicles Operating in Bethal and Surrounding areas and we Deliver Free of Charge either from our Extensive Stock on Hand or Straight from One or More of our Suppliers - Fast, Efficient and with Flexibility.

One of the more Important aspects of our Business is the High Technical Knowledge of our Employees.

We are Continuously Expanding our Stock with the Newest and Best Products the Market has to Offer and our Employees gets Regular Training on all the New Products.

This Results in our Customers being given First Class Advice and Excellent Service, as our Technicians understands the Customer's Requirements and are Able to Fulfill their Needs Timeously and Efficiently.

# Some of our Brands:
